

We've Enhanced the Student-Parent Portal!

Student achievement information is now presented with a greater emphasis on the individual assessments and course outcomes for the entire course. An improved user experience is now in place for parents and students to view information related to assessments and outcomes. Information on attendance, late work, missing work, and achievement are all available to encourage ongoing communication and the improvement of student achievement.

A User Guide is available for students and parents which outlines functionality in the portal. School staff may also use this guide to better understand the information displayed. Videos are also available on the iNSchool website to demonstrate specific features within the portal. Go to the iNSchool website to access this user guide and videos - <http://inschool.ednet.ns.ca/portal>.

Stay Tuned!

The next enhancement you will see in the student-parent portal is the Provincial Student Assessment reports.
